Pastor's Ponderings

Well...here we are in February, hardly seems possible! Since the week after Christmas I've seen in various stores - roses, hearts, cards, candy, and stuffed animals all in the name of LOVE. The two go hand in hand, *February and Love*.

When I first came to Rolling Roads in January, 2006, I sensed love. That sense grew to become reality during my ministry with you and the years that followed. The growth continued since I have returned, evidenced by the manner in which you reached out to each other during the difficult times some experienced throughout the year. So far as I'm concerned it

exploded during the latter part of 2010 as you reached out to Ruthy and I during her illness and the ensuing Advent Season. That love reached its apex this past month as I celebrated a milestone birthday. I was blown away by my family's surprise visit and even more so when most of them came to church. If you remember, when I recognized them, I stated they were the best family in the world and I meant it. Well, since then your outreach of love to me has simply been phenomenal and I must in all sincerity state, without reservation, that I serve the best and greatest loving church family in all my years of

ministry (and there have been some great ones). Heartfelt thanks to you all.

However, let's not keep that love confined within the walls of our church or relegated to our church family alone, rather, let's allow it to overflow and spill into our community and inundate it with JESUS LOVE.

And as always.....
God's best to you all,
Pastor Russ

Hymn of the Month

February's Hymn of the Month is "**Love Lifted Me**" by James Rowe.

Just like Peter, while walking on water sank when he took his eyes off Jesus, we too

will sink in sin if it were not for the saving grace of Jesus. This century old hymn has been recorded by Ray Stevens, BJ Thomas, and Kenny Rogers.

While secular artists tend to emphasize 'love', Rowe emphasized Jesus Christ. It is only by the love of Jesus that we can be lifted out of our sin.

Bible Explorers at Archer Elementary

**Bible Explorers will meet
Tuesday, February 8**

During the next few months, we have the unique opportunity to have a Bible Club at

a public school!!! We have prayed for an **outreach ministry** in the community and **here it is!!** Join us on the second Tuesday of each month through May at Archer Elementary School from 6:00 - 7:30PM. Our Bible emphasis

will be on following Jesus in the way He loves, cares, forgives, and serves. We will need extra hands for small craft projects, games, snacks, and music. Let Pastor Russ or Barbara Moffitt know if you are available to help.
